"I'm really excited to be a part of coordinating this event. Although the site was covered in snow when I visited, it looks like a great spot for a reunion. We expect about 150-200 people -- so you won't want to miss it! It is not too late to reserve a spot. Just call the office (435-) 654- 4049 and let them know you are part of the

Huntzinger Reunion."

We assume many will arrive Friday and leave Sunday, so we have some activities planned for those two "1/2 days". The "silent auction", "noisy auction", and "Grand Raffle" will be in the Saturday dinner time block. Time for visiting before and during food time. Entertainment probably occurs after dinner on Friday and Saturday evenings but may have some after Saturday lunch break. Raffle for various items will be spread throughout. Several "drop-in workshops" have been suggested along with scheduled and spontaneous genealogy sharing times. Because we'll have a mix of ages and interests there will be opportunities for several choices at the same time.

**What would you like to do at reunion? – give us an idea of your expectations, desires, and activities plus what you'd like to add. This is your reunion.**

We'll have a bullwhip "contest" among other competitions, swimming trip, fishing, ice-cream parlor visit, historical graveyard visit, photo family tree, who-lives-where map, genealogy sharing, leisure time for just talking, sharing contact information, catch up on happenings and gossip. Perhaps 5K run, yoga, Park City visit, completing website "family group", copying & downloading documents & photos, et cetera.

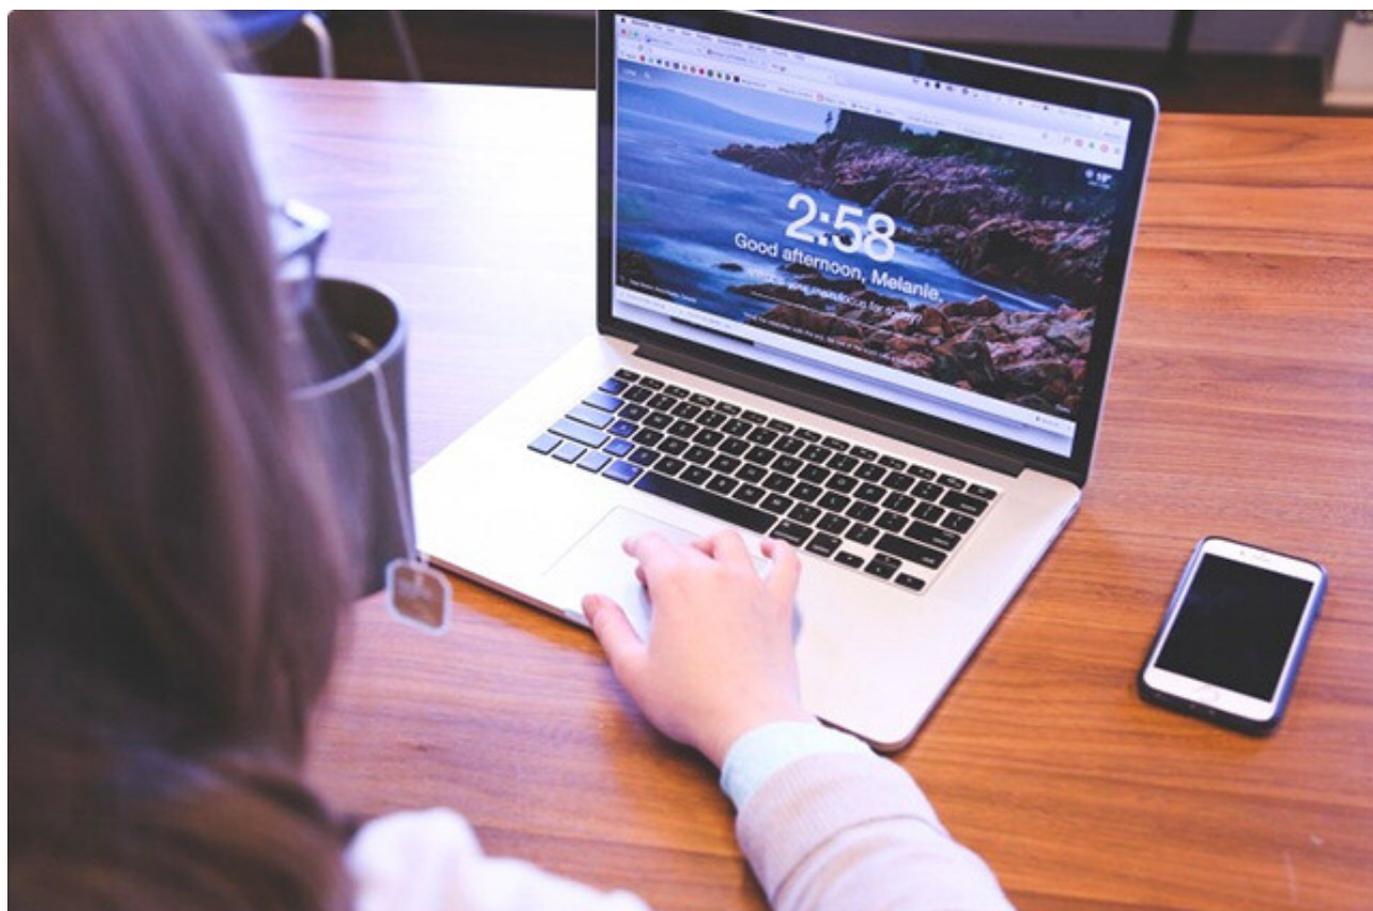

## **ATTENDING LIST**

**You are among the 18% - 20% of attendees who are the "early deciders"; thank you for confirming.** If you don't see someone on the list that you think should be coming, contact and convince them to come -- share this newsletter and tell them to subscribe, and let us know what you know so we can spread the word. Some are still making plans, others are undecided, and there are families who don't know the details. The Nowland clan and the Peterson clan have gatherings this summer and many will not be able to schedule two trips for "reunions".

## FAMILY QUIZ

**You could win free raffle tickets! We're giving away Raffle Tickets for correct answers to our FAMILY QUIZ QUESTIONS. Two free tickets every week until August 3 if you're lucky enough to win one with the correct answer.**

We'll release two questions related to our family history, folklore, gossip. You research, discover, and submit your answer – Laura Peterson will select a winner from the correct answers and that winner receives a free Raffle Ticket.

- 1. Which Huntzinger ancestor lived the longest?**
- 2. Which Sessions ancestor lived in Tombstone, Arizona and worked in the silver mines?**

Answers are people born into the descendency of Edgar Sessions and Sylvia Louise (Bentley) Sessions and/or George W Huntzinger and Ida Elizabeth (Sawyer) Huntzinger. Consider both direct blood descendants, any adopted people, and spouses that married into the 'family'.

What's your answer? We'll take entries until March 13th, send [email form on Cousins website](#) with answer and your name. Winners and answers will be in next Bi-monthly Newsletter and then in the Reunion section of Cousins website.

Our planning group at present is Charlotte Huntzinger and Laura Peterson with Ron/Bob/Ralph Huntzinger kibitzing from the balcony -- we're adding specific task leaders as needed; thanks Becky Saldivar (Auction/Raffle). Great Uncle Ralph is editor and responsible for mistakes in what we give him, otherwise we'll all take credit for the "good stuff"
